

# Join us and show your appreciation for LAAF-WI, Inc.!

Just bring this flier in to your local Pick-N-Save and sign up at the service desk to designate Latin American Adoptive Families of Wisconsin, Inc. as the charity you would like to support! The money we raise will go directly towards valuable services we offer you such as newsletters, outings and cultural events!

Please take this opportunity to support our ongoing efforts so that we can continue to provide you with a network of information and families who have adopted from Latin America. Join us in spreading the word to family and friends so they can help us too!

Pick-N-Save We Care # 452420
